- 1) Machine Processors have to account for actual elongation ranging from 1% to 2.5% depending on varieties of fabrics which will be indicated in the work order.
- 2) In case of Hand processors, shrinkage at actuals up to maximum of 2 % will be allowed on cotton material.
- 3) In case of all polyester blended varieties relaxation shrinkage up to 1% will be allowed when processed cloth is tested for shrinkage.
- 4) Shrinkage during processing will be as per BTRA study recommendations/ Norms.

09. QUALITY INSPECTION:

The Quality of processed cloth/Printed cloth should confirm to ISI specification for colour fastness and dimensional stability as follows:

- (a) Cotton varieties : IS – 748: 1990
- (b) Polyester Blended varieties : IS – 11814: 1986

The Corporation shall have the right to inspect the cloth under process/processed stocks at processors premises for quality parameters. The Corporation shall also inspect the processed cloth after receipt of the same at its premises and if any rejections due to defects beyond the stipulated limits as per norms fixed by the Corporation are noticed, cost of material would be recovered from processing bills.

10. LABORATORY TEST/TESTING CHARGES.

Corporation has right to test the processed cloth for verification of various quality parameters including usage of Azo free dyes/banned dyes etc. Testing charges incurred in this connection would be deducted from bills of the Processors.

11. PACKING;

- a) Gross weight, Nett weight, Number of pieces, number of Mtrs, Variety and design number should be indicated in packing slips and on each bale.
- b) Bleached and dyed material should be in metre fold.
- c) Each piece should carry design number with name of the processor and piece length.
- d) Each bale should contain running length ranging from 300 mts to 500 mts depending on the variety of the fabric. In case of piece goods each bale should comprise of 50 to 100 pieces.
- e) Bale should be compact for easy transportation and handling.
- f) Bale should be packed by using Hydraulic Baling Press with bamboo stick on four sides with metallic/plastic straps.
- g) Folded pieces should be covered first with good quality polythene sheet and then baled in hessain cloth.
- h) Each bale should contain packing slip indicating the particulars specified at 11(a) above.
- i) Polyester running material should be folded on wooden rolls, pieces should be covered with polythene sheets and packed in corrugated boxes.

07 DELIVERY & TRANSPORTATION CHARGE;

Grey cloth for processing is to be collected by the processor from the KHDC Grey/Janatha Warehouse, Peenya I/II Stage, Bangalore-58 or any other place/s as may be specified from time to time at his/her cost. Similarly the processed cloth also have to be delivered at the respective places and the transportation charges are to be borne by the processor/s.

12. PENALTY FOR DELAY IN EXECUTION OR ORDER.

Entire material should be processed and delivered within the stipulated time, failure to deliver the processed goods within the stipulated time, would attract penalty which will be imposed at the following rates on the processing charges.

- | | |
|-------------------------------|--------------------------|
| i) delay from 01 to 30 days | 2% of processing charges |
| ii) delay from 31 to 60 days | 3% of processing charges |
| iii) delay from 61 to 90 days | 5% of processing charges |

In case of further delay in processing Corporation reserves the option to accept the material lying with the processor after charging the penalty as indicated above or recover the cost of material at its discretion. Processing/delivery period shall be counted from the date of receipt of grey material by the processor and the penalty shall be counted on the basis of number of days delayed.

14. SAFE CUSTODY OF STOCKS.

The processor shall be at all times responsible for the safe custody of stocks entrusted for processing. In the event of non return of the stocks, or bad handling or defective processing, the processor shall be liable for making good the cost of the cloth to the Corporation.

15. INSURANCE;

Processors shall be responsible for the safe custody of KHDC fabric/materials issued for processing at all time and shall arrange to obtain insurance coverage against all risks of fire, burglary, malicious damages etc., at his/her cost right from the period of taking delivery of the grey material at KHDC. Warehouse to deliver the processed goods at KHDC premises.

16. FENTS, RAGS & CHINDIES:

No processing charges will be paid for Fents, Rags & Chindies. The quantity of Fents, Rags & Chindies should not exceed 3% of the total quantity of processed goods in bleaching & dyeing and 2 % in case of Printing. If any defective grey material or variation in length and width is noticed the same should be returned to our warehouse without processing. If such cloth is processed resulting in rejection due to defective material or shorter length. width, processing charges shall be disallowed besides recovering cost of material from the processor.

17 MEASUREMENT:

Cloth measurements indicated in the documents of the Corporation are final and no plea will be entertained from processors for any shortages in the grey material sent for processing. If the Processors so desire, they may verify the measurement of cloth at the Corporation's warehouse premises only before taking delivery of the cloth for processing.

18 . COST OF MATERIAL/CLOTH:

The term 'Cost of the cloth' referred to in the terms and conditions in the Tender form or work order shall mean what is indicated in the documents sent with the material for processing and /or such as may be intimated by the Corporation from time to time.

19 . PAYMENT TERMS:

- a) Original bills along with supporting delivery notes, excise duty paid gate passes with required documents shall be submitted to the warehouses along with the consignment. 80% payment will be effected within 30 days from the date of receipt of goods and balance 20% on completion of work order/settlement of material account of the work order. Documents/bills through bank will not be accepted. Amount due from the processor on any account shall be setoff against the bills that are due to be paid to the processor.
- b) Deduction of Taxes at source: Taxes / work taxes as applicable and other applicable statutory levies will be deducted at source from the processing charges bills for remittance to the concerned authorities.

20 . SECURITY DEPOSIT;

- a) Successful tenderers shall submit security deposit Rs. 1,00,000(Rupees One lakh only) in case of cotton varieties. Rs. 2,00,000(Rupees Two lakhs only) in case of Polyester blended varieties and Rs. 3,00,000 (Rupees Three lakhs only) in case processing work given for both varieties. Govt Undertakings/Apex Institutions are exempted from payment of Security Deposit.
- b) Security deposit should be submitted by way of demand Draft or Bank Guarantee.
- c) On issue of work order and execution of agreement if the successful tenderer fails to submit security deposit the amount will be recovered from the processing charges bills in two equal instalments and the balance processing charges shall be released.
- d) In case the entire security deposit cannot be recovered from the first two bills the processing charges will be released on complete recovery of the security deposit.
- e) The Security deposit will be returned when the processor is not given any work continuously for three months or more/ on termination of the agreement
- f) No interest will be paid on the security deposit.

21. AGREEMENT:

Successful tenderers shall within 15 days of receiving communication regarding acceptance of the tender shall enter into an agreement with the Corporation and shall strictly abide by the terms and conditions stipulated therein.

22. Any additional terms and conditions (or) variations in terms and condition as may be imposed by the Corporation from time to time, shall deemed to be a part of the tender.

23 Processor shall not assign, transfer or subject the material received for processing either wholly or any part thereof or allow any other person to handle the material except their own trained labourers and in the event of breach of this condition, corporation is at liberty to cancel the work awarded to the processor and forfeit the EMD given by the processor.

24 Corporation does not guarantee or undertake to provide minimum quantity of work every month to any processor and further reserves the right to entrust processing work to one or more parties at its sole discretion.

25 No changes in the terms of contract as may be requested by the tenderers including rates shall be entertained during the tender contract period.

26 KHDC reserves the right to accept or reject all or any part thereof of the offer as well as decrease or increase the quantity without assigning any reasons thereof. KHDC shall not give any guarantee regarding the volume of business under this tender.

27 In the event of any difference of opinion in interpretation the terms and conditions of the tender, the decision of the Managing Director of the Corporation is final.

28 Disputes if any under the agreement will be subject to the jurisdiction of courts in Bangalore only.

THE KARNATAKA HANDLOOM DEVELOPMENT CORPORATION LIMITED
